

## Oddfellows Deceration, Sunday, May 25.

On the fourth Sunday in May at 10:30 a. m. the Gladdico Odd-fellows will decerate Willie McCue's grave at Wartrace. The New Beathel Lodge, also the Gainesboro Lodge are invited to be there on that day. Every member urged to be present. Remember the date.

Bill Nye, the humorist, gave a lecture some years ago.

Before going on the platform he asked the colored man if he wouldn't place a pitcher of water by the speaker's table.

"Water?" questioned Rastus, "water?" Do you want it to drink, sah?"

"Sure, I want to drink it," said Nye; "did you suppose I wanted it for a high diving act?"

## SUWNER COUNTY FARM FOR SALE

I Will on THURSDAY, MAY 15

On the premises, four and one-half miles east of Gallatin, Tenn., on the Gallatin and Hartsville Pike, sell to the highest bidder the following described farm, in one, two and three tracts, and as a whole, the best bid to be accepted. This farm contains 300 acres and is one of the most productive in this famous County of Sumner, on the famous waters of Bledsoe's Creek, known in story and song for its fertility and beauty. There are three sets of improvements on the premises. Splendid barn, commodious house and water in every field. The blue grass is indigenous to the soil and prolific. There is 100 acres of rich alluvial bottom land, the depth of the soil is unknown, whose fertility is equal, if not better, than the Valley of the Nile. This is an ideal stock farm, the soil is not only productive but is loose and easily cultivated. The farm lies adjoining what is known as the Satterwhite place, one of the largest and most productive farms in this county.

This property belongs to Mr. William Dunn, who has continued to improve it from year to year until it is one of the most desirable that could be found. If you want a farm that will produce anything that is grown in Tennessee you should spend a day or two looking over this farm and be profited thereby.

Farms of this character and description are sold but one time in a lifetime, but now you have the opportunity and rare chance to buy a farm whose location is ideal, whose fertility is unsurpassed, whose beauties appeal to the eye, whose cribs, barns and granery are full, shady nooks and running streams and beautiful valleys are full of splendid cattle, hogs, mules and horses. It is well fenced, well watered and right where you want it. It is true it will bring a good price, but it will be cheap at any price. The terms will be liberal and made known on the day of the sale. We can give you possession within thirty days, or at the end of the year, to suit the purchaser.

### THE FOLLOWING PERSONAL PROPERTY WILL BE SOLD ALSO.

A young fellow, with plenty of cheek but no money, once wrote to a firm who were selling razors at \$1.00 each:—"Please send me one of your razors, for which I enclose P. O. for \$1.00.

"P. S.—I have forgotten to enclose the \$1.00. but no doubt a firm of your standing will send one."

"The reply he received was in the following terms:

"We beg to acknowledge receipt of your esteemed order, and have pleasure in sending the razor, which we trust you will like.

"P. S.—We have forgotten to enclose the razor, but no doubt a fellow with your cheek won't need one."
